

Change in return on assets (pp), by year (histogram)

All banks

Note: Histogram of one-quarter changes, 80 equal-width bins, no smoothing, all quarters of each year pooled; each histogram scaled to a common peak height. Orange: years overlapping an NBER recession (2001, 2008, 2009, 2020). *2026 covers Q1–Q2 only. Percentage-point change in each bank's single-quarter ROA (annualized) from the previous quarter.
